

HubIT

**Virtual Policy
Workshop,
January 14**

The Digital Agenda & Horizon Europe Missions

What to expect of future SSH/ICT cooperation

Join the discussion

Join the workshop to hear Dr. René von Schomberg and Mr. Nikos Kastrinos from the European Commission share their views on the future role of SSH/ICT cooperation, as well as proposed policies from the HubIT project that could help promote future responsible ICT innovation.

Help us make recommendations

Discuss what challenges you see, share the possible solutions you see, and help us strengthen our policy recommendations.

How to participate

Sign up by sending an email to va@tekno.dk
