

EXPERTISE OFFER FOR HORIZON EUROPE

TOPIC IDENTIFICATION	HORIZON-MISS-2021-CIT-02-05: Global cooperation and exchange on urban climate neutrality
KEY WORDS	Climate change, climate change mitigation and adaptation, climate neutrality, European Green Deal, Mongolia
DEADLINE	26 April 2022
EXPERTISE OFFER	<p>Caritas Czech Republic (CCR) in Mongolia has a team of technical experts and managers in the following topics of interests: waste management and recycling, climate change, sustainable construction sector, forestry, energy-efficiency, and others. Our team consists of both local and international experts with various levels and years of expertise. Moreover, CCR has a broad network of stakeholders and partners locally and internationally.</p> <p>Our current ongoing flagship environmental projects are: “Sustainable Plastic Recycling in Mongolia” focusing on the development of a green economy and the transition towards a low-carbon, resource-efficient and circular economy and “Switching on a Green Economy” aiming to support Mongolia agri-food and beverage MSMEs and retailers in adopting circular economy practices through market-based eco-labelling system, tailored technical assistance, behaviour change and access to green finance. Our previous projects include “Improving Resource-Efficiency and Cleaner Production in the Mongolian Construction Sector Through Materials Recovery” that promoted sustainable production and consumption in the construction sector, through supporting SMEs to switch to more resource-efficient practices and “Supporting a Greener and More Energy-Efficient Construction Industry in Mongolia” that reduced the environmental impact of the construction industry in Mongolia through introducing the use of fly ash from coal power plants. Since 2006, CCR has implemented more than 20 projects in 15 different provinces with particular focus on various topics of interest, such as civil society, youth development, democracy support, sustainable livelihoods, education, prevention of risks of natural disasters, environmental mitigation, waste management and recycling. CCR</p> <p>In Mongolia, CCR cooperates with more than 50 international and local NGOs, CSOs, associations, SMEs, state institutions and local governments. Our main donors consist of the European Union and its SWITCH-ASIA programme, Ministry of Foreign Affairs of the Czech Republic and others.</p>
ORGANISATION PROFILE	CCR launched the first project in Mongolia in 2006 and opened its country’s mission in 2007 as a response to the growing support of the Czech development cooperation. The mission of CCR is to improve the lives of thousands of people through education, promotion of sustainable development, empowering local communities and marginalized groups.
