

SAVE THE DATE

In the spirit of fostering meaningful research collaborations, the TERAIS project team invites you to save the date for a one-day event

Supporting Excellence in AI and Robotics Research

16 JUNE 2025 **BRATISLAVA**

📍 Faculty of Mathematics, Physics and Informatics Comenius University Bratislava Slovakia

- Inspiring keynote lectures from **Angelo Cangelosi** from University of Manchester and **Fredrik Heintz** from Linköping University
- Presentations of researchers from **Italian Institute of Technology, University of Hamburg** and **Comenius University Bratislava**
- Discussions regarding **research support, technology transfer** and **industrial partnerships**
- Discovering **new opportunities** for your research and collaborations

Stay tuned!
**More details to follow
in the upcoming weeks!**

The event will be held within the TERAIS project (Towards Excellent Robotics and Artificial Intelligence at a Slovak University) aimed at establishing the Department of Applied Informatics of Comenius University Bratislava, Slovakia as a workplace of international academic excellence and at supporting international collaboration. This project received funding from the HORIZON Europe programme under the Grant Agreement number 101079338 and has been implemented since October 2022.
